Dad knows what he likes to drink at the end of a long week, and it's with exactly that in mind that we honor him with special dad-inspired cocktails this Father's Day.

## Caicos Daddy

Found at Zest at [Wymara Resort & Villas](#) in Turks and Caicos, Caicos Daddy features vodka, lime juice, fresh mango and club soda. Lead mixologist Andrew Moss says: “Caicos Daddy is one of the newest cocktails I’ve launched at Wymara Resort & Villas and was created as a tribute to my father. He’s the vodka drinker of the family and enjoys all of his cocktails paired with simple, fresh and clean ingredients – and we can’t forget that touch of tropical flair. This beverage is also so refreshing and speaks to the Summer season, which complements the June Father’s Day holiday perfectly.”
