Fox Harb'r Resort to construct additional 9 holes

Fox Harb'r Resort has announced construction on an additional nine holes of golf, designed by Canadian golf architects Doug Carrick and Thomas McBroom.

December 7th, 2022

“We expect the “new nine” will be ready for play in the spring of 2025. We believe this addition will make Fox Harb'r one of Canada's finest oceanside golf courses. And it is just one of the several exciting developments underway here, as we expand the depth and breadth of our luxury resort experience. Stay tuned for more announcements in the coming months!” says Stacy Doyle, regional sales manager.
