Plenty of food and wine to go around onboard Silversea in 2018-19

Silversea is saying cheers to a new menu of 2018 and 2019 Enriched Voyages that focuses on culinary and wine. With Culinary Voyages, Silversea chefs share their expertise through guided market-to-plate excursions, special menus, cooking demonstrations and dinners that highlight regional specialties. Over a dozen itineraries feature the culinary enrichment program, including a 15-day roundtrip ocean voyage to Norway's North Cape from London onboard the Silver Wind, departing July 17 and starting at US\$11,610 per guest, and an 11-day Northern Europe ocean voyage from London to Reykjavik, also on the Silver Wind and starting at \$5,670 per guest.
